

## BUG B1TC1.TSNZ1.1 Zona de header nu este fixa la scroll down

**Preconditii:** se acceseaza pagina principala a website-ului <https://testsheepnz.github.io/>.

**Actual result:** header-ul nu ramane in pozitie fixa atunci cand se navigheaza pe pagina si se realizeaza scroll down.

**Expected result:** header-ul va ramane in pozitie fixa in partea cea mai de sus a paginii, conform cerintelor de pe US TSNZ1 la momentul la care se realizeaza scroll down.
